Superior vehicle doors & access doors made to your custom sizes

The ideal layout for a canopy is a large open plan interior, with lightweight, tough and durable windows to let in the light and fresh air. Canopies are popular for one tonner single, space, and dual cab vehicles, and also for those who enjoy their fishing, camping and recreation on the weekends.

Whether you design your own canopy, or order one from manufacturers, AJ Plastics can make any size or shape fixed or sliding window, to make your working life easy, and your relaxation time a breeze.

Made in Australia, with affordable delivery all over Australia, NZ and the Pacific, you can't do better than an AJ Plastics canopy window. Call us or email us now for information, or visit us at www.ajpm.com.au to download any of our PDF brochures, or order forms.
